DISABILITIES KIDS DAY

Project SEA

Socialization • Education • Awareness

10th Annual Long Beach Boat and Ski Club Catalina Water Ski Race

This will be a fun day for 150 plus children with disabilities. The Long Beach Boat and Ski Club will treat the children to a fun filled day of boat rides, inner-tube rides, canoeing, personal watercraft rides and sailing. Entertainment and demonstrations will take place throughout the day.

For the past 10 years, members of the Long Beach Boat and Ski Club have hosted this event in conjunction with THE CATALINA SKI RACE. Each child will be provided a lunch, toys and a souvenir Catalina Race T-Shirt. A single-use camera is also provided to each child to use to have a lasting memory of the day. Many volunteers from the area and race participants have greatly contributed to the success of this event.

If you would like to attend, please click here and sign up. There will be food and drinks available during the event. There will be no special foods at this event. If your child is on a special diet, please bring your own food, drinks and cooler. Project SEA has open spaces for Friday, the 25th of June. Space is limited and **you must sign up before June 20th, 2004**. Send us an e-mail a boatski@projectsea.org and we will get back with you with all the information you need.

Highlights

Everyone in the family are encourage to participate.

Spend a day enjoying boating activities.

Meet community leaders and organizers.
